Thank you so much for coming back to our wee part of the world.

We are so delighted to see you and thankful for your support!

We have taken as much care and consideration as possible to re-open our tearoom with various changes in place to ensure that we are all safe and sound. A few ways we have updated our system include:

- Each menu will be disposed of between each sitting
- Our team will come to your table as always to take your order and help in every way we can
- When you've enjoyed all you would like and you would like to settle up please stay at your table and we will bring your bill and our card machine to your table.
- Please use the door nearest the cake counter to exit the tearoom

We have changed a few things but there is lots that is the same - so we hope you have the usual Ardardan experience with good grub and a friendly welcome. Thank you so much for coming!

Enjoy!

*The Montlys  
& Team*
